

# Printing Labels from the Reports Area

These labels must be enabled by our support team before you will be able to use them. contact [support@myseniorcenter.com](mailto:support@myseniorcenter.com) for more info.

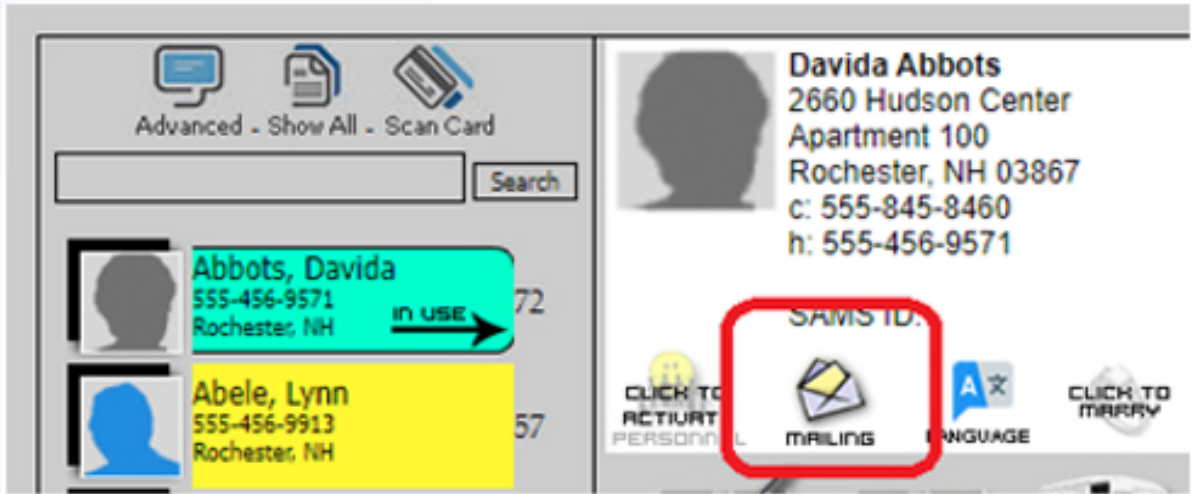

These labels can use Alternate Address fields from the custom fields section. To have these fields enabled please contact [support@myseniorcenter.com](mailto:support@myseniorcenter.com)

Alternate Address		Customize...
Use Alt Address for Labels <input checked="" type="checkbox"/>		
Alt. Address	<input type="text" value="265 Fun Street"/>	
Alt. Address Line 2	<input type="text"/>	
Alt. City	<input type="text" value="Farmington"/>	
Alt. State	<input type="text" value="NH"/>	
Alt. Zip Code	<input type="text" value="13467"/>	
Alt. PO Box	<input type="text" value="PO BOX 4587"/>	

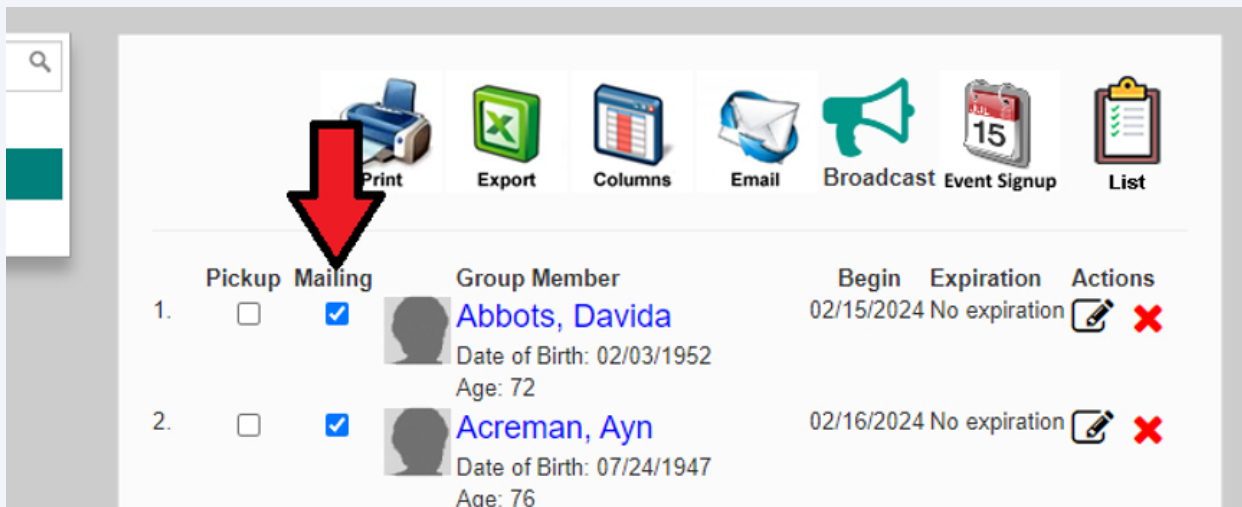

1

There are two versions of these labels. The one titled "Mailing labels" use the Mailing Setting under each individual. This must be set to "MAILING" for anyone in the house that should be listed on the label. These labels can list up to 4 people.

2

The one titled "Group Mailing labels" use the Mailing Setting under each individual Group. This must be set to "MAILING" for anyone in the house that should be listed on the label. These labels can list up to 4 people. Multiple Groups can be chosen. If a person is on more than one group they will still only get one label.

3

These labels DO NOT look at the marriage setting. All address fields listed below MUST be identical for anyone in the house that should be listed on labels.

- Address
- Address2
- PO Box
- City
- State
- Zip code

As with all labels, if the zip code field is completed then the labels will use that field instead of the address and address2 fields.

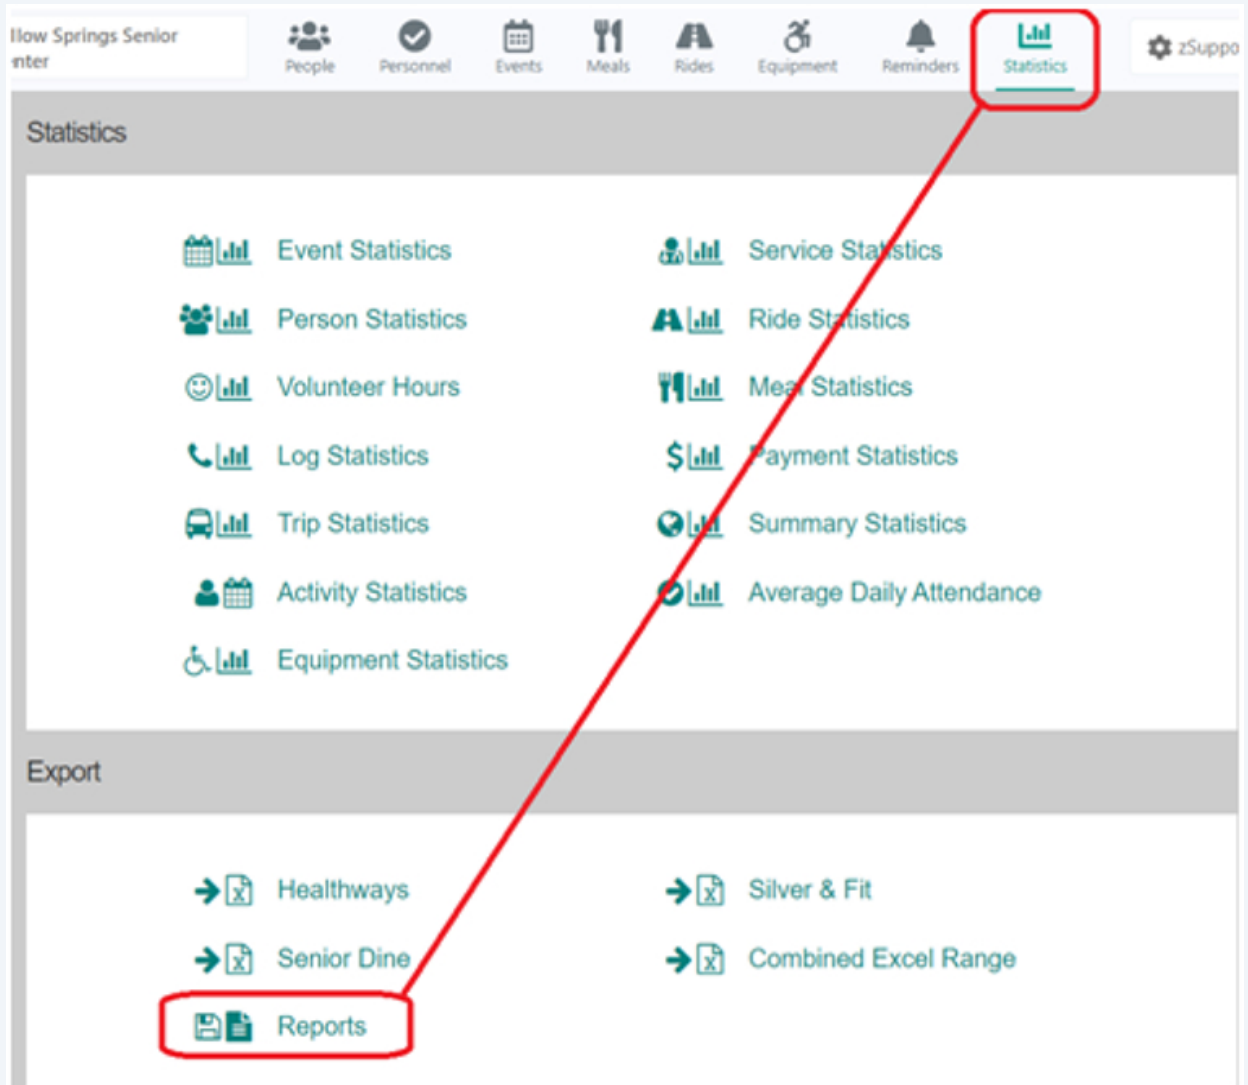

These labels to honor the preferences below

### Mailing Labels

- ~~Group married couples (1 label) in mailings~~
- ~~Show Mr. & Mrs. on mailing labels~~
- ~~Show expire date on expire/expiring group mailing labels~~
- Show or current resident on group mailings *(The labels do use this setting even though it says Groups)*
- Hide Mailing Route field from Labels
- Hide Mailing Address 2 field from Labels
- Hide archived people from labels

4

Currently these labels can only be printed from the Statistics Tab under the Reports Area.

5

Select "Mailing Labels" or "Group Mailing Labels", ignore the date range and click view report.

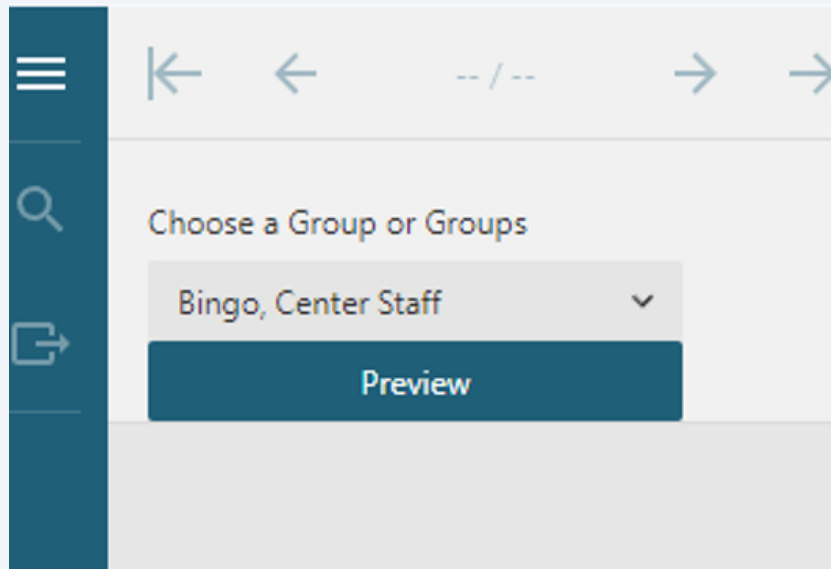

The screenshot shows a web interface for selecting a report. At the top, there are three main sections: "Select a Report", "Start Date", and "End Date". Under "Select a Report", a dropdown menu is set to "Mailing Labels". The "Start Date" and "End Date" fields both contain "02/14/2024". To the right of these fields is a blue "View Report" button and a user profile icon. Below the form is a navigation bar with various icons (back, forward, refresh, search, zoom) and a vertical sidebar on the left with a search icon and a refresh icon.

6

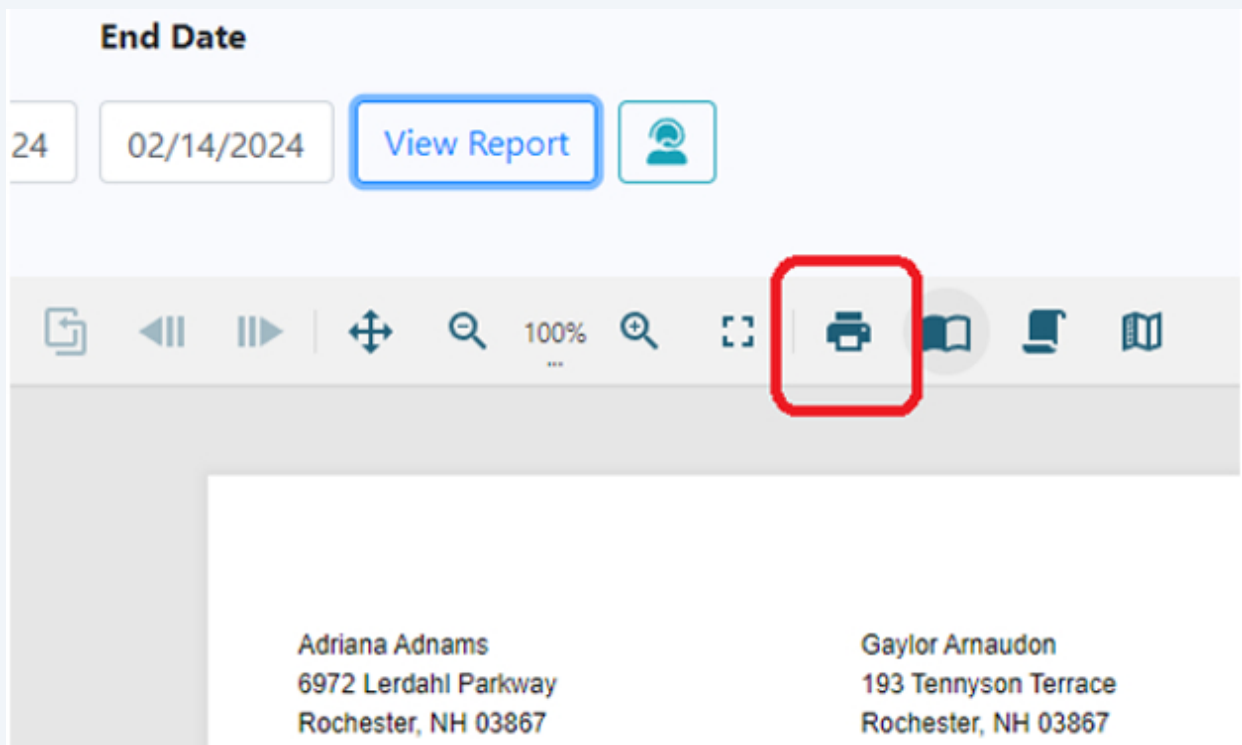

If you choose to print the "Group Mailing Labels" you will be asked to choose a group or groups first. Check the box for any group you want to include.

The screenshot shows a web interface for selecting a group. At the top, there are three main sections: "Group Mailing Labels", "Start Date", and "End Date". Under "Group Mailing Labels", a dropdown menu is set to "Group Mailing Labels". The "Start Date" and "End Date" fields both contain "02/16/2024". Below the form is a navigation bar with various icons (back, forward, refresh, search, zoom) and a vertical sidebar on the left with a search icon and a refresh icon. The main content area displays a heading "Choose a Group or Groups" followed by a dropdown menu with the text "(select value)". Below the dropdown is a list of groups with checkboxes: "(select all)", "Bingo", "Center Staff", "Membership", and "Raffle Mailing". A large red arrow with a white outline points to the checkbox next to "Bingo".

7 Then Click Preview

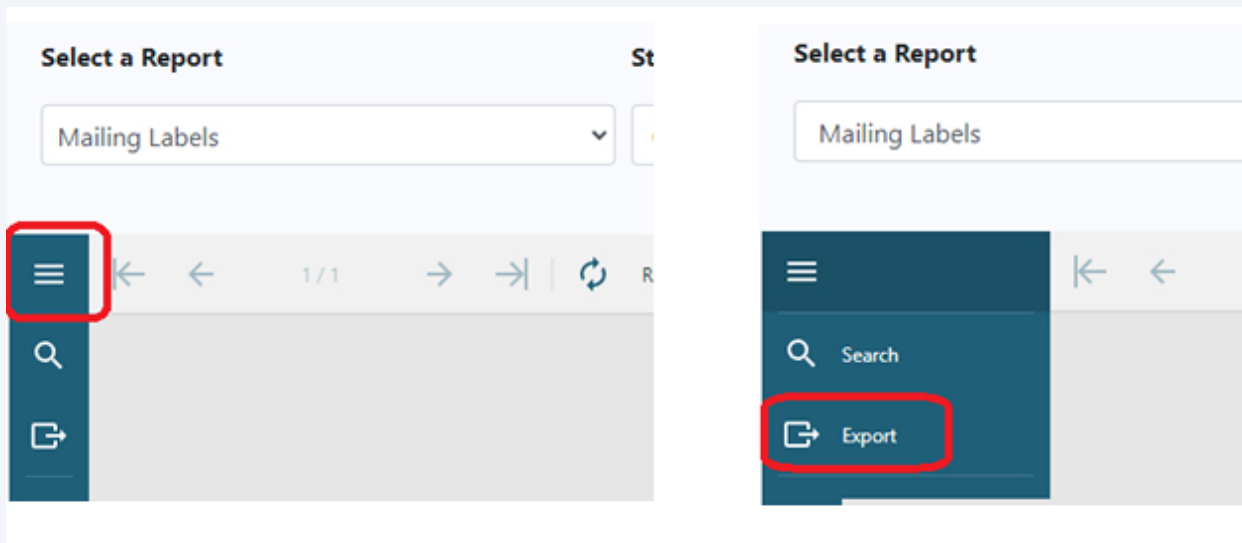

8 Click the print icon to print the labels.

9

To export to PDF  
Click the side bar icon then click Export

10

Select PDF at the top and Click Export at the bottom.
